

**248th ACS National Meeting • San Francisco, CA**  
**Women Leaders of the Global Chemistry Enterprise**

*Cosponsored by HIST, IAC, PRES, and PROF*

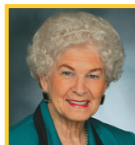

*M. L. Wu, Organizer, Presiding*

**Tuesday, August 12th, 2014 • 8:30 am - 11:35 am and 2:00 pm - 5:05 pm**

**Hilton San Francisco Union Square • Franciscan D**

**8:30**                      **Introductory Remarks**

**8:35**                      **The Magnificent Journey**  
**E. Ann Nalley**

**8:55**                      **Current Status of Women Scientists in Japan**  
**Kazue Kurihara**

**9:15**                      **Experiences of a Female Chemist in South Africa**  
**Bice S. Martincigh**

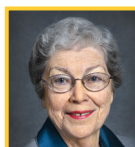

**9:35**                      **Peace and Satisfaction at the End of a Long Way of Work, Obstacles, Efforts and Challenges**  
**Noemi Walsöe de Reca**

**9:55 Intermission**

**10:15**                      **A Retrospective View of My 70 Years in Chemistry**  
**Darleane Hoffman**

**10:35**                      **Challenges and Opportunities in Indian Science: My experiences**  
**Mannepalli Lakshmi Kantam**

**10:55**                      **Achieving Work-Family Harmony**  
**Supawan Tantatayanon**

**11:15**                      **From Building Roads to Building Peace: A Woman Chemist's Odyssey**  
**Zafra M. Lerman**

**2:00**                      **Introductory Remarks**

**2:05**                      **Ten Lessons from a Lifetime of Science**  
**Madeleine Jacobs**

**2:25**                      **Glimpse of my scientific path: The quests continue**  
**Samira Ibrahim Islam**

**2:45**                      **Two Decades of Research on Natural Products Chemistry from Brazilian Biodiversity: Inspirations and Motivations**  
**Vanderlan da Silva Bolzani**

**3:05**                      **Embracing Change, Embracing Your Power Within**  
**Hui Cai**

**3:25 Intermission**

**3:45**                      **Academic and Personal Evolution through Thirty Eight Years: Two Parallel Tracks?**  
**Barbara Loeb**

**4:05**                      **My Experience being a Woman and a Professor of Chemistry in Morocco**  
**M. El Rhazi**

**4:25**                      **Portrait of a Professional Life: Work, Challenges, and Satisfaction, All Achieved in Small Steps**  
**Lydia R. Galagovsky**

**4:45**                      **Partners for Progress and Prosperity: A Personal & Professional Journey**  
**Marinda Li Wu**
